

Byfleet, West Byfleet and Pyrford Residents' Association

We are very pleased to say that the latest issue of our newsletter **The Resident** is now available.

The Resident newsletter is free to members of the association and membership only costs £5 per year which includes copies of the newsletter.

The association is fully run by volunteers and has been supporting local residents for more than **80** years. We work with your local councillors to address neighbourhood issues and organise or participate in many events in the three villages.

Over a third of the households in the three villages are now members (over **2,500** households) and we personally deliver the latest issue of The Resident to every member three times a year.

We hope you'll enjoy the newsletter. Our website - at www.the-residents.org has much more information about the association - its aims, rules and how it supports local residents.

It's easy to join:

- ❖ Send your name and address details to members@the-residents.org
- ❖ Use the "Join Us" form on our website at www.the-residents.org
- ❖ Fill in an application form at your local library or give it to your Street Representative

Contact your local Street Representative directly:
