

HELP GROW OUR ELEPHANT WALK

Inspired by public art iID would like to invite you to create an elephant for the library window and to join our parade of elephants as part of Dementia Action Week.

Many cultures revere the Elephant as a symbol of *strength* and *power*, *wisdom* and *loyalty*. It is also praised for its size, longevity, stamina, mental faculties, cooperative spirit, patience and calm.

It is believed that using elephant symbolism in and around one's household will invite good luck and fortune into one's home, while keeping any negativity out.

MAKE AN ELEPHANT

You will need:

- A milk bottle of any size
- Scissors
- Something to decorate with, e.g. marker pens, glue, tissue paper, paint, buttons, newspaper

As part of raising awareness for Dementia Action Week we would like you create your own elephant and share a photo of it on social media and/or bring it along to your local library to create an elephant walk.

DRAW A LINE ACROSS THE BOTTOM AND THE HANDLES

CUT ALONG THE BOTTOM AND CUT OUT LEGS

GLUE ON EARS IF YOU WISH

DECORATE YOUR MILK BOTTLE TO CREATE YOUR ELEPHANT
